[Proposed] Counsel to the Official Committee of Unsecured Creditors

**UNITED STATES BANKRUPTCY COURT**  
**SOUTHERN DISTRICT OF CALIFORNIA**

In re:

BORREGO COMMUNITY HEALTH  
FOUNDATION,

Debtor and Debtor in Possession.

Case No.: Case No. 22-02384-LT11

Chapter 11

**DECLARATION OF CYNTHIA NELSON  
IN SUPPORT OF APPLICATION FOR AN  
ORDER AUTHORIZING THE RETENTION  
AND EMPLOYMENT OF FTI  
CONSULTING, INC. AS FINANCIAL  
ADVISOR TO THE OFFICIAL  
COMMITTEE OF UNSECURED  
CREDITORS EFFECTIVE AS OF  
OCTOBER 7, 2022**

[Relates to Docket No. 120]

I, Cynthia Nelson, declare as follows:

1. I am a Senior Managing Director with FTI Consulting, Inc. (together with its wholly owned subsidiaries, "FTI"), an international consulting firm. I submit this declaration (the "Declaration") on behalf of FTI in support of the application (the "Application") of the Official Committee of Unsecured Creditors (the "Committee") of the above-captioned debtor and debtor-in-possession (collectively, the "Debtor"), for entry of an order authorizing the employment and retention of FTI as financial advisor to the Committee under the terms and conditions set forth in the Application. I am generally familiar with the Bankruptcy Code and the Bankruptcy Rules. Except as

otherwise noted, I have personal knowledge of the matters set forth herein, and, if called as a witness, I would testify thereto.<sup>1</sup>

2. In connection with the preparation of this Declaration, FTI conducted a review of its contacts with the Debtor, its affiliates, and certain entities holding large claims against, or equity interests in, the Debtor that were made reasonably known to FTI. A listing of the parties reviewed is reflected on **Exhibit A** to this Declaration. FTI's review, completed under my supervision, consisted of a query of the Exhibit A parties within an internal computer database<sup>2</sup> containing names of individuals and entities that are present or recent former clients of FTI. A listing of such relationships that FTI identified during this process is set forth on **Exhibit B** to this Declaration.

3. Based on the results of its review, FTI does not have a relationship with any of the parties on Exhibit A in matters related to the Debtor or these proceedings. FTI has provided, and could reasonably expect to continue to provide, services unrelated to the Debtor's case for the various entities shown on Exhibit B. FTI's assistance to these parties has been related to providing various financial restructuring, litigation support, technology, strategic communications, and economic consulting services. To the best of my knowledge and except as otherwise disclosed herein, no services have been provided to these parties in interest that involve their rights in the Debtor's case, nor does FTI's involvement in this cases compromise its ability to continue such consulting services.

4. As part of its diverse practice, FTI appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and parties-in-interest in the Debtor's chapter 11 case. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, FTI has in the past, may currently, and will likely in the future be working with or against other professionals involved in this chapter 11 case in matters unrelated to the Debtor and this case. Based on our current knowledge of the professionals involved,

---

<sup>1</sup> Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information provided by them.

<sup>2</sup> For the avoidance of doubt, FTI's computer database covers FTI Consulting, Inc. and its wholly owned subsidiaries globally.

1 and to the best of my knowledge, none of these relationships create interests adverse to the Debtor's  
2 estate and none are in connection with the Debtor's chapter 11 case.

3 5. FTI is not a "creditor" of the Debtor within the meaning of Bankruptcy Code section  
4 101(10). Further, neither I, nor any other member of the FTI engagement team serving the Committee,  
5 to the best of my knowledge, (a) is a creditor, equity security holder, or insider of the Debtor; (b) is or  
6 has been within two years before the Petition Date, a director, officer, or employee of the Debtor; or  
7 (c) has any interest materially adverse to the interests of the Debtor's estate or of any class of creditors  
8 or equity security holders, by reason of any direct or indirect relationship to, connection with, or  
9 interest in, the Debtor, or for any other reason. As such, to the best of my knowledge, and based upon  
10 the results of the relationship search described above and disclosed herein, FTI (i) is a "disinterested  
11 person" as defined in Bankruptcy Code section 101(14) and (ii) does not hold or represent any interest  
12 adverse to the Debtor's estate. Therefore, FTI believes it is eligible to represent the Committee under  
13 Bankruptcy Code section 1103(b).

14 6. It is FTI's policy and intent to update and expand its ongoing relationship search for  
15 additional parties in interest in an expedient manner. If any new material relevant facts or relationships  
16 are discovered or arise, FTI will file a supplemental declaration pursuant to Bankruptcy Rule 2014(a).

17 7. Subject to Court approval and in accordance with the applicable provisions of the  
18 Bankruptcy Code, Bankruptcy Rules, the local rules of this District, orders of this Court, and  
19 applicable U.S. Trustee guidelines, FTI will seek payment for compensation on an hourly basis, as set  
20 forth in the Application, plus reimbursement of actual and necessary expenses incurred by FTI,  
21 including legal fees related to the preparation of the Application (if any), as approved by the Court.  
22 FTI's customary hourly rates as charged in bankruptcy and non-bankruptcy matters of this type by the  
23 professionals assigned to this engagement are outlined in the Application. These hourly rates are  
24 adjusted periodically, typically on an annual basis. I believe that the fee structure as set forth in the  
25 Application is reasonable and comparable to those generally charged by financial advisors and  
26 consultants of similar stature to FTI for comparable engagements, both in and out of chapter 11.

27 8. To the extent FTI utilizes independent or third party contractors or subcontractors (the  
28 "Contractors") in the provision of services to the Committee, FTI will (i) pass through the fees of such

Contractors at the same rate that FTI pays the Contractors and (ii) seek reimbursement for actual costs of the Contractors only. In addition, FTI will ensure that each Contractor will file a separate declaration evidencing its disinterestedness in this chapter 11 case as required by the Bankruptcy Code and Bankruptcy Rules.

9. According to FTI's books and records, during the ninety days before the Petition Date, FTI did not receive any payments from the Debtor.

10. To the best of my knowledge, (a) no commitments have been made or received by FTI with respect to compensation or payment in connection with this case other than in accordance with the provisions of the Bankruptcy Code and (b) FTI has no agreement with any other entity to share with such entity any compensation received by FTI in connection with this chapter 11 case.

11. The Committee and FTI intend that FTI's services will be appropriately directed by the Committee to avoid duplication of efforts among the other professionals retained by the Committee in this chapter 11 case and performed in accordance with applicable standards of the profession. FTI will work collaboratively with the Committee's other professionals to avoid duplication of services among professionals. I believe that the services to be provided by FTI will complement and will not be duplicative of any services of the Committee's other professionals.

12. To the best of my knowledge, after conducting or supervising the investigation described above, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this 27th day of October, 2022, at Ketchum, Idaho.

/s/ Cynthia Nelson
